

BEMER uses PEMF technology to deliver its proprietary signal throughout the horse's body targeting the microcirculatory system resulting in optimized blood flow.

About BEMER

- ~ BEMER Stands for "Bio-Electro-Magnetic-Energy-Regulation"
- ~ Leading global innovator in PEMF technology
- ~ Founded in 1998 - headquartered in Liechtenstein
- ~ Over 22 years in business - 13 years in the USA
- ~ Developing equine products since 2000
- ~ Multiple international patents
- ~ Winner of multiple scientific and design awards
- ~ Proprietary signal configuration
- ~ Used by leading professional riders worldwide
- ~ Veterinarian recommended
- ~ FDA registered medical animal device
- ~ A+ rating from the BBB

Benefits of BEMER:

- ~ Improves microcirculation and vasomotion
- ~ Promotes relaxation and regeneration after exercise
- ~ Supports parasympathetic processes in the body
- ~ Increases physical performance and mental focus
- ~ Optimizes suppleness
- ~ Speeds up the recovery process after an injury
- ~ Improves post-recovery and regeneration after surgery

The BEMER Horse-Set Features:

- ~ Optimally adjusts and adapts to the size of your horse
- ~ Developed and manufactured to medical device standards
- ~ Cordless operation - integrated battery and control unit
- ~ Efficient - Three unique intensive treatment programs (5/10/15 minutes)
- ~ Simple, intuitive operation also works over a sweat blanket without interference
- ~ Easy to clean
- ~ Robust and durable - designed for demanding everyday life in the stable
- ~ Lightweight and flexible coils for maximum coverage
- ~ Includes custom, durable travel and storage case

The Horse-Set Includes:

Horse Blanket:

Our horse blanket is the solution for large-area applications. The blanket generates a BEMER signal field that encompasses and permeates your animal.

2 Cuffs:

With the help of the BEMER Horse-Set cuffs, you can generate a focused BEMER signal on specific areas of your horse's body. This is particularly effective in areas of intense strain, such as the joints.

Also included:

~ Bag

- Stand alone / easy storage
- Space for 1 blanket, 2 cuffs, charger
- Heavy duty zipper
- Easy to clean, durable material

~ Charger

- Y-cord adapter
- Charges 2 controllers at the same time
- International power adapters

~ Cooler

- Under blanket to absorb sweat
- Keeps BEMER blanket clean and protected
- Can be used as a stand alone cooler blanket

~ 3 Year Warranty

~ FEI Compliant

Professionals Love BEMER

Boyd Martin

Olympic Eventing Athlete

"Every day we train these horses very hard, and I need them feeling in tip-top shape for their competitions and next day's training. BEMER really helps with their recovery and circulation and it's really made a difference."

Tom & Cade McCutcheon

World Champion Million Dollar Reiners

"Our horses work hard and BEMER is a valuable tool to help them recover faster with improved endurance to be ready for the next event!"

Jessica Springsteen

Grand Prix Winning Show Jumper

"I have seen the BEMER Horse-Set in action and it's truly a unique product that supports our horses' recovery, circulation and relaxation – thus improving their performance in the ring."

Victoria Colvin

USHJA International Hunter Derby Champion

"Horse showing can be hard on horses and having the BEMER Horse-Set available to help them relax and recover is amazing. I am thrilled to be a part of the BEMER team because I truly believe in the product."

Misdee Miller

World Equestrian Games Team Gold Medalist

"Each of my horses work very hard and I believe in providing them with the best care possible. My horses give me their best every day, so I use the BEMER to keep them relaxed and ready for the next competition!"

Yvonne Losos de Muniz

Olympic Dressage Athlete

"After over twenty years at the top levels of my discipline, I will only use the best resources for my horses' well-being. The BEMER Horse-Set and the proven PEMF technology it uses is excellent in helping with the recovery and fitness of my equine athletes, allowing for much better results in training and in the competition ring."

Beatrice de LaValette

Para-Dressage Athlete

"Since receiving the BEMER Horse-Set, my horses have been having a session every morning before work. The difference has been really amazing. They are more supple, more relaxed, but more importantly, more ready to work in a shorter period of time."

Brandon Phillips

Professional Polo Player

"I am very excited about my new partnership with BEMER. It was a new product for me, but after using it on several of my horses for the last month, I have learned a lot and have seen the rapid improvement of my horses."

Mavis Spencer

Grand Prix Show Jumper

"I am really excited to join the BEMER team after using the product for the past four years. I bought my BEMER for my horses in 2016 and immediately noticed a big difference. They were all much more relaxed and supple through their bodies and recovered more quickly after big classes."

Martha Josey

WPRA, AQHA and NBHA World Champion and Cowgirl Hall of Fame Honoree

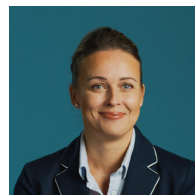

"My husband R.E. and I are thrilled to be part of the BEMER team! We ask a lot from our equine partners, so we want to give them the best. Barrel horses train a lot, so we are glad to have our BEMER Horse-Set to help them get ready for their next trip down the alleyway."

Dr. Hermann Josef Genn

Veterinary Surgeon specializing in equine medicine

"By using the BEMER Horse-Set, horses display quieter behavior and have a greater tolerance of stress, especially in new surroundings and show significant improvement in getting up safely after surgery."

Dr. Katarzyna Zukiewicz

Equine Veterinarian

"The BEMER Horse-Set is an integral tool that I use often in my practice. BEMER's proven technology provides meaningful results for my clients and I have found it to be unrivaled in its ability to treat multiple problems that can occur with the competitive equine athlete."
